Thomas Ringel thoroughly enjoys helping his clients through their transactions. The University of Miami School of Law graduate handles commercial and residential real estate matters and specializes in the Coral Gables, Pinecrest

and Palmetto Bay areas.

There's plenty of competition for legal work, so Ringel challenges himself daily.

"We provide quality service and do our best to make the transactions with clients a very personal one," he said.

Ringel's father was an attorney forced to give up his law practice because of religious persecution.

"His passion inspired me to go into law."
